- ★ **WILL there be a final play or production?**

No, there is no final play or show. The goal of the drama club is to learn about theatre and become more confident on a stage and in front of others. We will do script reading and character development, so there will not be a performance. BUT...

The LAST CLASS (or session) will be an OPEN CLASS for parents / guests to attend. Students will demonstrate what they have learned by demonstrating the theatre games they have learned and a little skit.

If you are interested in participating but are unable to attend every scheduled session, don't worry. Each session will be independent making it easy for a student to jump in and participate at each session.

If unable to attend please send an email to Mrs. Beatty. Email: beatty@wlake.org
