

# TIER 1

---

## Enrichment Programming

# Algebra II - Prep

**Led By:** Michael Bee

**Dates:** July 11, 12, 14 18, 19, 21, 25, 26, 28

**Times:** 10:00 A.M. – 11:30 A.M.

**Grade Level(s):** 8-12

**Location:** Virtual

**Description:** This 3-week course is a fast paced review of Algebra I skills and an introduction to Algebra II. Sometimes the geometry year between Algebra I and Algebra II causes some students to forget concepts taught second semester in Algebra I. The goal of the course is to review those concepts and set students up for success for Algebra II's 1st semester. Students should have a TI-84 graphing calculator (or an equivalent graphing calculator).
