

# Westlake High School Required Summer Reading 2023

**English Classes:** Students in all levels and grades at WHS are encouraged to read books of their choosing over the summer months. The teachers of the WHS English Department believe that reading something that you enjoy is the best way to detox from technology, widen your vocabulary, and begin, little by little, to understand the human condition and our place within it.

**Honors & AP Courses have Additional Requirements as follows:**

## English 9 Honors

*The Curious Incident of the Dog in the Night-Time:* by Haddon

## English 10 Honors

*The Hate U Give:* by Thomas

## English 11 Honors

*To Kill a Mockingbird:* by Lee

## AP Literature

Choose one of the following novels to read over the summer. Just read it and think about it. Annotate it if that's an activity you find valuable.

The first week or so of class we'll be discussing/sharing our experiences with these texts, and I'll ask you to do some writing about what you chose to read at that point. We will also use your summer choice text as a basis for learning how to approach the FRQ3 on the AP Literature exam.
