

Westlake Alumni Association "Roll Call" **MEMBERSHIP** **And Direct Donation Form**

Established in 1991, the mission of the Westlake Alumni Association is to allow the students and future alumni of the Westlake High School as well as the Westlake City Schools the opportunity to benefit from the vast resources which the graduates of Westlake High School and previously Dover High School, have to offer. As a 501(c)3 not-for-profit organization, The Association relies on donations from Alumni and others to support this mission and we appreciate your consideration. Currently an annual Alumni Scholarship is awarded to one or more deserving graduates and there are plans for endowment fund to support this program. The Alumni Association also supports projects within the school district that benefit future graduates of Westlake High School
