#### RESOLUTION TO CHANGE ADMINISTRATIVE COMPENSATION

RESOLUTION that the Westlake Board of Education Recalibrate the Administrative Pay schedule for the Director of Business Affairs; Reduce and Recalibrate the Administrative Pay Schedules for New Administrative hires, and authorize Administrative fringe benefit pick up and pick up on the pick up.

### Recalibrate Pay Schedule for Director of Business Affairs:

RESOLVED that the Westlake Board of Education authorize the Superintendent and CFO/Treasure to recalibrate the Director of Business Affairs pay schedule to match that of the Director of Pupil Services/HR, and to be effective with any new hire on or after April 30, 2012.

#### Reduce and recalibrate Pay Schedule for Administrator's hired on or after April 30, 2012:

RESOLVED that the Westlake Board of Education authorize the Superintendent and CFO/Treasurer to reduce and recalibrate the Administrative Pay Schedule by 5% for all respective administrative classifications. This change will be effective for all new hires on or after April 30, 2012.

### Resolution for continuance of fringe benefit pick up (pick up on the pick up):

RESOLVED that in accordance with Internal Revenue Code Section 414(h)(2), the Board will continue to pick up all of the required member contributions to the State Teachers Retirement System ("STRS") or School Employees Retirement System ("SERS") for all Administrators.

The pick-up shall be a "fringe benefit" pick-up of the entire amount of the member contributions that the Administrator is required to contribute to STRS or SERS, based upon the base salary and all other "compensation" of the Administrator under Ohio Revised Code ("ORC") Section 3307.01 or Section 3309.01. In furtherance of the foregoing, the Treasurer is hereby authorized to pay the amount of the fringe benefit pick-up directly to STRS or SERS as a member contribution of the Administrator, in lieu of an equal amount of his contract salary being paid to STRS as a member contribution; and the Administrator shall not have the option of receiving cash in lieu of the fringe benefit pick up. The amount of the fringe benefit pick-up shall also be considered as compensation of the Administrator for purposes of ORC Section 3307.01 or Section 3309.01; and, in accordance with and subject to the foregoing provisions of this paragraph, the Treasurer shall pay directly to STRS or SERS, all employer and member contributions (in lieu of the Administrator paying such member contributions) required on account of the inclusion of such fringe benefit pick-up as additional compensation for such purposes.

After this Resolution is entered into, if Ohio law is modified to prohibit the Board from paying the Administrator's STRS or SERS member contributions as a fringe benefit pick up (i.e. in accordance with the above paragraph), the Board's pick up of the Administrator's STRS or SERS member contributions shall be converted to a "salary reduction" type of pick up under IRC Section 414(h), and the annual salary of the Administrator shall be increased by an amount that will result in the total amount being paid by the Board as employer contributions to STRS or SERS being the same as it was prior to the salary increase. Accordingly, the Board's STRS or SERS employer contributions shall be equal to the sum of (i) the Board's employer contributions that were required to be paid prior to such salary increase, (ii) the amount of the fringe benefit pick up that was being paid by the Board based on the prior amount of salary, and (iii) the additional Board payments of to STRS or SERS employer and member contribution that were required to include the fringe benefit pick as additional to STRS or SERS compensation.

The foregoing resolution modifying the terms of the pick up pertaining to Administrators, is reflective of how the Board presently plans to address the passage of future laws that may effectively require or impose significant reductions in the Administrative Benefits that are being provided to Administrators, as described in the Administrative Handbook. Accordingly, it is the present intention of the Board, that upon the passage of any such future laws, the Board will consider whether there are no cost or cost-effective ways of modifying the salary, compensation and/or Administrative Benefits of Administrators, so as to comply with applicable law and not negatively impact, in an aggregate sense, the salary, compensation and benefit packages then being provided to Administrators.
