\_\_\_\_\_  
\_\_\_\_\_

The Treasurer advised the Board that the notice requirements of Section 121.22 of the Revised Code and the implementing rules adopted by the Board pursuant thereto were complied with for the meeting.

\_\_\_\_\_ moved the adoption of the following Resolution:

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION PROVIDING FOR THE ISSUANCE AND SALE OF BONDS IN THE MAXIMUM AGGREGATE PRINCIPAL AMOUNT OF \$84,056,066 FOR THE PURPOSE OF CONSTRUCTING, RENOVATING, REMODELING, ADDING TO, FURNISHING, EQUIPPING AND OTHERWISE IMPROVING SCHOOL DISTRICT BUILDINGS AND FACILITIES AND ACQUIRING, CLEARING AND IMPROVING THEIR SITES.**

WHEREAS, at an election held on May 4, 2010, on the question of issuing bonds of the School District in the aggregate principal amount of \$84,056,066 for the purpose stated in Section 2 and of levying taxes outside the ten-mill limitation to pay the debt charges on those bonds and any anticipatory securities, the requisite majority of those voting on the question voted in favor of it; and

WHEREAS, this Board finds and determines that the School District should issue the Bonds described in Section 2 to provide funds for that purpose; and

WHEREAS, this Board has previously applied for and received from the Ohio School Facilities Commission (the OSFC) allocation of authority to issue "qualified school construction bonds" within the meaning of Section 54F of the Internal Revenue Code of 1986, as amended, in an amount not to exceed \$11,260,000, and wishes to authorize the issuance and sale of a portion of the Bonds as qualified school construction bonds and to elect to receive the direct subsidy provided pursuant to H.R. 2847, the Hiring Incentives to Restore Employment (HIRE) Act, through which Congress authorized issuers of qualified school construction bonds to elect to receive a direct subsidy for all or a portion of interest paid on such bonds in lieu of issuing bonds that would provide a tax credit to an owner of such bonds; and

WHEREAS, this Board has requested that the Treasurer, as the fiscal officer of the School District, certify the estimated life or period of usefulness of each class of the improvements described in Section 2 and the maximum maturity of the Bonds; and

WHEREAS, the Treasurer has certified that the estimated life or period of usefulness of each class of the improvements described in Section 2 is at least five years and that the maximum maturity of the Bonds described in Section 2 is 34 years;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Westlake City School District, County of Cuyahoga, State of Ohio, that:

Section 1. Definitions and Interpretation. In addition to the words and terms elsewhere defined in this Resolution, unless the context or use clearly indicates another or different meaning or intent:

“Authorized Denominations” means (a) with respect to Current Interest Bonds, a denomination of \$5,000 or any whole multiple thereof, and (b) with respect to any Capital Appreciation Bonds, a denomination equal to a principal amount that, when interest at the applicable compounding interest rate is accrued and compounded thereon on each Interest Accretion Date to the stated maturity of the Bonds, will result in a Maturity Amount equal to \$5,000 or any whole multiple thereof.

“Bond proceedings” means, collectively, this Resolution, the Certificate of Award, the Tax Certificate, the Continuing Disclosure Certificate, the Bond Registrar Agreement and such other proceedings of the School District, including the Bonds, that provide collectively for, among other things, the rights of holders and beneficial owners of the Bonds.

“Bond Purchase Agreement” means the Bond Purchase Agreement between the School District and the Original Purchaser, as it may be modified from the form on file with the Treasurer and signed by the Treasurer in accordance with Section 6.

“Bond Register” means all books and records necessary for the registration, exchange and transfer of Bonds as provided in Section 5.

“Bond Registrar” means the bank or trust company appointed pursuant to Section 4, as the initial authenticating agent, bond registrar, transfer agent, paying agent and escrow agent (if any Bonds are issued as Sinking Fund Bonds) for the Bonds under the Bond Registrar Agreement and until a successor Bond Registrar shall have become such pursuant to the provisions of the Bond Registrar Agreement and, thereafter, “Bond Registrar” shall mean the successor Bond Registrar.

“Bond Registrar Agreement” means the Bond Registrar and Deposit Agreement between the School District and the Bond Registrar, as it may be modified from the form on file with the Treasurer and signed by the Treasurer in accordance with Section 4.

“Book Entry Form” or “Book Entry System” means a form or system under which (i) the ownership of book entry interests in Bonds and the principal of and interest on the Bonds may be transferred only through a book entry, and (ii) physical Bond certificates in fully registered form are issued by the School District only to a Depository or its nominee as registered owner, with the physical Bond certificates deposited with and maintained in the custody of the Depository or its agent. The book entry maintained by others than the School District or the Bond Registrar is the record that identifies the owners of book entry interests in those Bonds and that principal and interest.

“Capital Appreciation Bonds” means any Bonds designated as such in the Certificate of Award, maturing in the years, being in the principal amounts and having the Maturity Amounts set forth therein, and bearing interest accrued and compounded on each Interest Accretion Date and payable at maturity.

“Certificate of Award” means a certificate authorized by Section 6(a), to be signed by the Treasurer, setting forth and determining those terms or other matters pertaining to the Bonds and their issuance, sale and delivery as this Resolution requires or authorizes to be set forth or determined therein.

“Closing Date” means the date of physical delivery of, and payment of the purchase price for, the Bonds.

“Code” means the Internal Revenue Code of 1986, the Regulations (whether temporary or final) under that Code or the statutory predecessor of that Code, and any amendments of, or successor provisions to, the foregoing and any official rulings, announcements, notices, procedures and judicial determinations regarding any of the foregoing, all as and to the extent applicable. Unless otherwise indicated, reference to a Section of the Code includes any applicable successor section or provision and such applicable Regulations, rulings, announcements, notices, procedures and determinations pertinent to that Section.

“Compound Accreted Amount” means, with respect to any Capital Appreciation Bond, the principal amount thereof plus interest accrued and compounded on each Interest Accretion Date to the date of maturity or other date of determination. The Compound Accreted Amount per \$5,000 Maturity Amount of the Capital Appreciation Bonds of each maturity and interest rate within a maturity as of each Interest Accretion Date shall be set forth in the Certificate of Award. The Compound Accreted Amount of a Capital Appreciation Bond as of any date other than an Interest Accretion Date is the sum of (a) the Compound Accreted Amount for such Bond on the immediately preceding Interest Accretion Date plus (b) the product obtained by multiplying (i) the difference obtained by subtracting (A) the Compound Accreted Amount of that Bond on the immediately preceding Interest Accretion Date from (B) the Compound Accreted Amount of that Bond on the immediately succeeding Interest Accretion Date, times (ii) the ratio of (C) the number of days from the immediately preceding Interest Accretion Date to the date of determination to (D) the total number of days from that immediately preceding Interest Accretion Date to the immediately succeeding Interest Accretion Date; provided, however, that in determining the Compound Accreted Amount of a Capital Appreciation Bond as of a date prior to the first Interest Accretion Date, the Closing Date shall be deemed to be the immediately preceding Interest Accretion Date and the principal amount of that Capital Appreciation Bond shall be deemed to be the Compound Accreted Amount on the Closing Date.

“Continuing Disclosure Certificate” means the certificate authorized by Section 6(c) to be signed by the President or Vice President and Treasurer of this Board and the Superintendent, or any two of them, to be substantially in the form on file with the Treasurer and which, together with the agreements of the School District set forth in that subsection and the Bonds, shall constitute the continuing disclosure agreement made by the School District for the benefit of holders and beneficial owners of the Bonds in accordance with the Rule.

“Current Interest Bonds” means, collectively, the Serial Bonds, the Sinking Fund Bonds and the Term Bonds, each as may be designated as such by the Treasurer in the Certificate of Award and being Bonds payable as to principal at maturity or pursuant to Mandatory Redemption Requirements or Mandatory Sinking Fund Requirements on the Principal Payment Dates and bearing interest payable on each Interest Payment Date as set forth in the Certificate of Award.

“Debt Charges” means principal, including any Mandatory Redemption Requirements and Mandatory Sinking Fund Requirements, and interest and any redemption premium payable on the Bonds.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of book entry interests in Bonds or the principal of and interest on Bonds, and to effect transfers of Bonds, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Direct Payment” means a credit payment allowed with respect to Direct Payment BABs, or a credit payment allowed with respect to Direct Payment QSCBs, that is in each case payable directly to the School District by the U.S. Treasury as provided in Section 6431 of the Code, in lieu of the federal income tax credit that would otherwise be available to holders of such obligations.

“Direct Payment BABs” means Current Interest Bonds that are “Build America Bonds” within the meaning of Section 54AA(d) of the Code and that are qualified bonds within the meaning of Section 54AA(g) of the Code, the interest on which is includible in gross income for federal income tax purposes and with respect to which the School District shall have made an irrevocable election to receive one or more Direct Payments.

“Direct Payment QSCBs” means Current Interest Bonds that are “qualified school construction bonds” within the meaning of Section 54F of the Code and that are also “qualified tax credit bonds” within the meaning of Section 54A of the Code, the interest on which is includible in gross income for federal

income tax purposes and with respect to which the District shall have made an irrevocable election to receive one or more Direct Payments.

“Interest Accretion Dates” means, unless otherwise determined by the Treasurer in the Certificate of Award, as to any Capital Appreciation Bonds, each December 1 and June 1, commencing December 1, 2010, in the years any Capital Appreciation Bonds are outstanding.

“Interest Payment Dates” means, unless otherwise determined by the Treasurer in the Certificate of Award, (a) as to Current Interest Bonds, December 1 and June 1 of each year that the Current Interest Bonds are outstanding, commencing June 1, 2011, and (b) as to any Capital Appreciation Bonds, their respective maturity dates.

“Mandatory Redemption Date” means a Principal Payment Date designated as such by the Treasurer in the Certificate of Award on which principal of Term Bonds is payable by mandatory redemption prior to stated maturity pursuant to Section 3(e)(i).

“Mandatory Redemption Requirements” means amounts required by the Bond proceedings to be deposited in the Bond Retirement Fund in a year or fiscal year for the purpose of paying in that year or fiscal year by mandatory redemption prior to stated maturity the principal of Term Bonds that is due and payable, except for such mandatory redemption, in a subsequent year or fiscal year.

Reference to a Section means a section of this Resolution unless otherwise indicated.

Section 2. Authorized Principal Amount and Purpose; Application of Proceeds. This Board determines that it is necessary and in the best interest of the School District to issue bonds of the School District in the maximum aggregate principal amount of \$84,056,066 (the Bonds) for the purpose of constructing, renovating, remodeling, adding to, furnishing, equipping and otherwise improving school district buildings and facilities and acquiring, clearing and improving their sites.

Subject to the limitations set forth in this Resolution, the aggregate principal amount of the Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates that the Bonds shall bear and certain other terms and provisions of the Bonds identified in this Resolution are subject to further specification or determination in the Certificate of Award upon the finalization of the terms and provisions of the Bonds. The aggregate principal amount of Bonds to be issued, as so specified in the Certificate of Award, shall be the amount determined by the Treasurer to be necessary to carry out the purpose for which the Bonds are to be issued.

The proceeds from the sale of the Bonds, except any premium and accrued interest, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions. The Bonds shall be issued as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The respective principal amounts of the Bonds to be issued as (i) Current Interest Bonds and Capital Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds), and (ii) Tax-Exempt Bonds (if any Bonds are to be issued as Tax-Exempt Bonds), Direct Payment BABs (if any Bonds are to be issued as Direct Payment BABs), and Direct Payment QSCBs (if any Bonds are to be issued as Direct Payment QSCBs), shall be determined by the Treasurer in the Certificate of Award, having due regard to the best interest of and financial advantages to the School District. The Current Interest Bonds shall be dated as provided in the Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date, and any Capital Appreciation Bonds shall be dated as of the Closing Date.

(a) Interest Rates and Interest Payment Dates. The Current Interest Bonds shall bear interest at the rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be specified by the Treasurer (subject to subsection (c) of this Section) in the Certificate of Award. Interest on the Current Interest Bonds shall be payable on each Interest Payment Date until the principal amount has been paid or provided for. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), accrued and compounded on each Interest Accretion Date and payable at maturity, that will result in the aggregate Maturity Amounts payable at maturity, as shall be specified by the Treasurer in the Certificate of Award. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond as of that date exceeds the principal amount of that Capital Appreciation Bond.

Notwithstanding any provision of this Resolution to the contrary, Bonds maturing on any one Principal Payment Date may have a different Tax Status, may bear interest at different rates and may be issued separately as Current Interest Bonds and Capital Appreciation Bonds.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to Mandatory Redemption Requirements, in the case of Term Bonds, or Mandatory Sinking Fund Requirements, in the case of Sinking Fund Bonds, on the Principal Payment Dates and in principal amounts as shall be determined by the Treasurer in the Certificate of Award (subject to subsection (c) of this Section), consistently with the Treasurer's determination of the best interest of and financial advantages to the School District.

Consistently with the foregoing and in accordance with the Treasurer's determination of the best interest of and financial advantages to the School District, the Treasurer shall specify in the Certificate of Award (i) the aggregate principal amount of Current Interest Bonds to be issued as Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, (ii) the aggregate principal amount of Current Interest Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be payable pursuant to Mandatory Redemption Requirements and the principal amount thereof that shall be so payable on each such Principal Payment Date, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Sinking Fund Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Mandatory Sinking Fund Requirements shall be met by a payment to the Bond Registrar for deposit to a Sinking Fund Account and the Mandatory Sinking Fund Requirement to be so met on each such Principal Payment Date, and (iv) the aggregate principal amount of any Bonds to be issued as Capital Appreciation Bonds and the corresponding aggregate Maturity Amount thereof, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Sinking Fund Requirements or Mandatory Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such that (i) the total principal and interest payments on the Bonds in any fiscal year in which principal is maturing or payable is not more than three times the amount of those payments in any other such fiscal year, and (ii) the true interest cost of the Bonds shall not exceed 9%.

(d) Payment of Debt Charges. The Debt Charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal (excluding any Mandatory Sinking Fund Requirements) of and any premium on the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall

be payable when due upon presentation and surrender of the Bonds at the designated corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing on the Bond Register at the close of business on the 15<sup>th</sup> day preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal (excluding any Mandatory Sinking Fund Requirements) of and interest and any redemption premium on the Bonds shall be payable in the manner provided in any agreement entered into by the Treasurer, in the name and on behalf of the School District, in connection with the book entry system.

(e) Redemption Provisions. The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to maturity. Unless otherwise specified by the Treasurer in the Certificate of Award, consistently with the Treasurer's determination of the best interest of and financial advantages to the School District, the Current Interest Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Redemption of Term Bonds Pursuant to Mandatory Redemption Requirements. If any of the Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and (unless retired by optional redemption as described below) be redeemed pursuant to Mandatory Redemption Requirements, at a redemption price of 100% of the principal amount redeemed, plus interest accrued to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, if any, for which provision is made in the Certificate of Award (such Dates and principal amounts being the Mandatory Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Mandatory Redemption Date the principal amount of Term Bonds subject to mandatory redemption on that Mandatory Redemption Date pursuant to Mandatory Redemption Requirements (less the amount of any credit as hereinafter provided).

The School District shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Redemption Requirement (and corresponding mandatory redemption obligation) of the School District, as specified by the Treasurer, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so delivered. That option shall be exercised by the School District on or before the 15<sup>th</sup> day preceding any Mandatory Redemption Date with respect to which the School District wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Treasurer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bear interest at the same rate. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Treasurer, shall also be received by the School District for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then

current or subsequent Mandatory Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Treasurer, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate and having the same Tax Status as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Extraordinary Mandatory Redemption. To the extent that the School District fails to expend for federal tax law purposes all of the available project proceeds (as defined in the Code) of any Direct Payment QSCBs within the three-year period beginning on the Closing Date (or if an extension of that expenditure period has been received by the School District from the Secretary of the Treasury of the United States, by the close of the extended period), the Direct Payment QSCBs shall be subject to extraordinary mandatory redemption, in whole or in part, on any date on or prior to the 90<sup>th</sup> day following the close of the three-year period (or extended period), at a redemption price equal to 100% of the principal amount redeemed, plus any interest accrued to the redemption date, payable from such unexpended proceeds held by the School District in the fund or funds established for the proceeds of those Direct Payment QSCBs, to the extent necessary to preserve the Tax Status of the Direct Payment QSCBs.

If Direct Payment QSCBs are to be redeemed pursuant to extraordinary mandatory redemption, the Treasurer is authorized and directed to select the date for such redemption and to give written notice of the redemption date and the principal amount of Direct Payment QSCBs of each maturity to be so redeemed to the Bond Registrar at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iii) Optional Redemption. The Current Interest Bonds of the Tax Status, interest rates and maturities, if any, specified in the Certificate of Award shall be subject to redemption by and at the sole option of the School District, in whole or in part (as selected by this Board) in Authorized Denominations, on the dates, in the years and at the redemption prices determined by the Treasurer in the Certificate of Award, plus, in each case, accrued interest to the redemption date; provided that the earliest optional redemption date for Tax-Exempt Bonds shall not be more than ten and one-half years after the Closing Date.

Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Treasurer to the Bond Registrar, given upon the direction of this Board by adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity (and of each interest rate and Tax Status within a maturity) of Bonds to be redeemed and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(iv) Extraordinary Optional Redemption. If and as determined by the Treasurer in the Certificate of Award, Current Interest Bonds that are issued and sold as Direct Payment BABs or Direct Payment QSCBs, or both, may be subject to extraordinary optional redemption by and at the sole option of the School District, in whole or, if so specified in the Certificate of Award, in part, upon the occurrence of events resulting in a reduction or cessation of the applicable Direct Payments, on the dates, and at the redemption prices (expressed as a percentage of the principal amount to be redeemed) specified in the Certificate of Award, plus accrued interest to the redemption date.

Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the Treasurer to the Bond Registrar, given upon the direction of this Board by the adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar.

(v) Partial Redemption. If fewer than all of the outstanding Bonds are called for extraordinary mandatory redemption, optional redemption or extraordinary optional redemption at one time and Bonds of more than one maturity (or Tax Status or interest rate within a maturity) are then

outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates and Tax Status or Tax Statuses selected by the School District. If fewer than all of the Bonds of a single maturity and Tax Status and interest rate within that maturity are to be redeemed, the selection of Bonds of that maturity, interest rate and Tax Status to be redeemed, or portions thereof in amounts of \$5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate, maturing on the same date and having the same Tax Status as, the Bond surrendered.

(vi) Notice of Redemption; Rescission of Certain Notices. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the School District by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15<sup>th</sup> day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond. Notice of extraordinary mandatory redemption or extraordinary optional redemption may be rescinded upon written notice to the registered owner of each Bond subject to such redemption that the conditions requiring or permitting such redemption no longer exist. Such notice of rescission shall be given in the same manner as the notice of redemption at least one business day prior to the date fixed for such redemption.

(vii) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to Section 7, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon

presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the School District to the extent not required for the payment of the Bonds called for redemption.

(f) Mandatory Sinking Fund Requirements. The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of Debt Charges on each Principal Payment Date shall include with respect to any Sinking Fund Bonds an amount sufficient to meet the Mandatory Sinking Fund Requirement for deposit to the Sinking Fund Account on that Principal Payment Date (less a credit for any amount by which the balance in the Sinking Fund Account on that Principal Payment Date, determined as provided in the Bond Registrar Agreement, exceeds the sum of all Mandatory Sinking Fund Requirements for prior Principal Payment Dates).

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the President or Vice President and Treasurer of this Board, in the name of the School District and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Treasurer, shall be numbered as determined by the Treasurer in order to distinguish each Bond from any other Bond and to distinguish the Current Interest Bonds from any Capital Appreciation Bonds and any Bonds of differing Tax Status, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the provisions of Chapter 133 of the Revised Code, the approval of the electors at the election identified in the first preamble hereto, this Resolution and the Certificate of Award.

The Treasurer is authorized to appoint and designate in the Certificate of Award the initial Bond Registrar after determining that such bank or trust company will not endanger the funds or securities of the School District and that proper procedures and safeguards are available for that purpose. The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Bond Registrar Agreement between the School District and the Bond Registrar, in substantially the form as is now on file with the Treasurer. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments thereto. The Treasurer shall provide for payment of services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Bond Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Treasurer on behalf of the School District. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the School District will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to the other provisions of this Section and Sections 3(d) and 6(c) of this Resolution, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the Debt

Charges on any Bond shall be made only to or upon the order of that person; neither the School District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the School District's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate, maturing on the same date and having the same Tax Status.

If manual signatures on behalf of the School District are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the School District. In all cases of Bonds exchanged or transferred, the School District shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the School District and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the School District, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer. Neither the School District nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15<sup>th</sup> day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book Entry System. Notwithstanding any other provisions of this Resolution, if the Treasurer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the School District, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and so long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and each interest rate and Tax Status within a maturity and registered in the name of the Depository or its nominee, as registered owner, and deposited with and maintained in the custody of the Depository or its designated agent which may be the Bond Registrar; (ii) the book entry interest owners of Bonds in book entry form shall not have any right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book entry interests in Bonds in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Treasurer may attempt to establish a securities depository/book entry relation-

ship with another qualified Depository. If the Treasurer does not or is unable to do so, the Treasurer, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of School District action or inaction, of those persons requesting such issuance.

The Treasurer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the School District, that the Treasurer determines to be necessary in connection with a book entry system for the Bonds.

#### Section 6. Sale of the Bonds.

(a) To the Original Purchaser. The Bonds shall be sold by the Treasurer to the Original Purchaser at a purchase price not less than 97% of the aggregate principal amount thereof (provided that in addition to the foregoing 97% requirement, the purchase price of each of the Direct Payment BABs and the Direct Payment QSCBs shall not be less than 98% of the respective aggregate principal amounts thereof plus any original issue premium and minus any original issue discount), plus accrued interest on the Bonds from their date to the Closing Date, as shall be specified in the Certificate of Award, and with and upon such other terms as are required or authorized by this Resolution to be specified in the Certificate of Award, in accordance with law, the provisions of this Resolution and the Bond Purchase Agreement.

In accordance with the Treasurer's determination of the best interest of the School District and based on conditions then existing in the financial markets, the Treasurer shall sign and deliver the Certificate of Award to determine and specify the Tax Status or Tax Statuses of the Bonds, the interest rate or rates the Bonds are to bear, the final purchase price of the Bonds and other final terms of the Bonds in accordance with the provisions of this Resolution and to evidence the sale of the Bonds to the Original Purchaser and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The President, Vice President and Treasurer of this Board, the Superintendent and other School District officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments (including but not limited to agreements as necessary or appropriate for the holding, investment and application of any money deposited in the Bond Retirement Fund pursuant to Mandatory Sinking Fund Requirements and agreements with the Bond Registrar for services related to the procedures for receiving Direct Payments) and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Resolution.

The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Bond Purchase Agreement between the School District and the Original Purchaser, in substantially the form as is now on file with the Treasurer, setting forth the terms and conditions for the sale of the Bonds to, and the purchase of the Bonds by, the Original Purchaser. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments to that Agreement.

(b) Primary Offering Disclosure – Official Statement. An official statement shall be used in connection with the original issuance of the Bonds. The preliminary official statement of the School District in the form now on file with the Treasurer (the Preliminary Official Statement) is hereby approved and the distribution and use of the Preliminary Official Statement is hereby approved. The President or Vice-President and Treasurer of this Board and the Superintendent are authorized and directed, on behalf

of the School District and in their official capacities, to (i) make or authorize modifications, completions or changes of or supplements to, the Preliminary Official Statement in connection with the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the revised official statement is to be “deemed final” (except for permitted omissions) by the School District as of its date or is a final official statement for purposes of the Rule, (iii) use and distribute, or authorize the use and distribution of that official statement and any supplements thereto in connection with the original issuance of the Bonds, and (iv) complete and sign the final official statement as so approved, together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the School District agrees, as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data, financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5)(i) of the Rule. In order to describe and specify certain terms of the School District’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the President or Vice-President and Treasurer of this Board and the Superintendent are authorized and directed to sign and deliver, in the name and on behalf of the School District, the Continuing Disclosure Certificate, in substantially the form as is now on file with the Treasurer, with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the President or Vice-President and Treasurer of this Board and the Superintendent on behalf of the School District, all of which shall be conclusively evidenced by the signing of that Certificate or amendments to it. The agreement formed, collectively, by the Bonds, this paragraph and that Certificate, shall be the School District’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the School District would be required to incur to perform it.

(d) Applications for Ratings and Bond Insurance; Financing Costs. If, in the judgment of the Treasurer, the filing of an application for (i) a rating on the Bonds by one or more nationally recognized rating agencies and/or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds is in the best interest of and financially advantageous to the School District, the Treasurer is authorized to prepare and submit those applications. The Treasurer is also authorized to provide to each such agency or company such information as may be required for the purpose and, if it is, in the Treasurer’s judgment, in the best interest of and financially advantageous to the School District, to accept a commitment for insurance issued by a nationally recognized municipal bond insurance company insuring the payment when due of the principal of and interest on all or any portion of the Bonds. The Treasurer is authorized to enter into any agreements, on behalf of and in the name of the School District, that the Treasurer determines to be necessary or required to obtain such ratings or insurance.

The expenditure of the amounts necessary to secure those ratings and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, is authorized and approved, and the Treasurer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

There shall be levied on all the taxable property in the School District, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Debt Charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be unlimited as to amount or rate, shall be and is ordered computed, certified, levied and

extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the satisfaction of Mandatory Sinking Fund Requirements and the payment of the principal (at stated maturity or upon redemption) of and interest and any redemption premium on the Bonds when and as the same fall due.

limited to, allowing the sale of a Bond with more than a de minimus amount (determined under rules similar to those of Section 1273(a)(3) of the Code) of premium over the stated principal amount of the Bonds, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports, and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such Tax Status.
