RESOLUTION TO RECOGNIZE WESTLAKE CITY SCHOOL DISTRICT FOR  
RECEIVING THE OHIO SCHOOL PLAN “2011 OSP BEST PRACTICES AWARD”

RESOLVED that the Westlake Board of Education recognizes and congratulates the Westlake City School District for their comprehensive safety practices, knowledgeable staff members, and proactive awareness and supervision of all aspects of facility maintenance, hazards, and improvements.

Westlake City School District will receive a \$1,000 premium credit and will receive a plaque recognizing their efforts.

Comments from the OSP Risk Management Representative who nominated Westlake City School District:

EXCELLENT DISTRICT- Very deserving of the honor.

- 1) All maintenance personal, staff, and administrative personnel appeared to be very proactive as to school operations and safety. When you talk to staff or tour the facilities, you get the feeling all personnel were part of one very large safety committee.
- 2) When completing a RM walk thru, all school employees wanted to know how they could make improvements or changes to enhance their operations and safety.
- 3) The district has excellent controls over possible hazardous conditions (chemical inventories, playgrounds, parking lots, etc).
- 4) Security was forefront (daily locked down, limited access, and visitor controls).
- 5) Inspections of facilities were ongoing (week to week, month to month).
- 6) Facility maintenance was completed and documented.
- 7) The District had a very active in-service program for maintenance, staff, and administrative personnel.

**RESOLUTION TO ACCEPT WITHDRAWAL OF BID FOR THE NEW MIDDLE SCHOOL  
SITE WORK, REJECT BIDS RECEIVED FOR THE MIDDLE SCHOOL SITE WORK,  
AND AUTHORIZE RE-BID OF THE WORK AS PART OF THE BUILDING TRADES PACKAGES  
FOR THE NEW MIDDLE SCHOOL**

WHEREAS, bids were received on August 25, 2011, for the MS01-Site Work contract for the new middle school project, and the apparent low bid was submitted by Sitetech, Inc. in the base bid amount of \$3,169,600.00; and

WHEREAS, Sitetech, Inc. withdrew its bid on August 26, 2011, based on the omission of a significant quantity of work from the bid amount; and

WHEREAS, following the bid opening, the Construction Manager met with the low bidder, determined that the bidder had omitted work from the bid, and recommends accepting the withdrawal, which was submitted within the two-day period provided in Ohio Revised Code Section 9.31; and

WHEREAS, with the withdrawal of the apparent low bid, the next low bid is more than 10% higher than the published estimate for the new middle school site work, and a contract for the work cannot be awarded, pursuant to Ohio Revised Code Section 153.12; and

WHEREAS, the Construction Manager recommends revising the site work contract documents to address issues identified during the post-bid evaluation process and to coordinate the site work with the other bid packages for the work, and issuing the revised contract documents with the building trades packages for the new middle school, which have been issued and are currently being reviewed by bidders, with the bid date for receipt of all bids extended to permit bidders to review the revised documents before preparing a bid for a portion of the work;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Westlake City School District as follows:

1. Based upon the recommendation of the Construction Manager, made with the concurrence of the Architect, the Board accepts the withdrawal by Sitetech, Inc. of the bid it submitted for the new middle school site work and authorizes the Construction Manager, working with the Business Director, to return the bid submittal to Sitetech, Inc.
2. The Board rejects the remaining bids received for the MS01-Site Work contract for the new middle school project because the next lowest bid exceeded the published estimate for the work by more than 10%, and authorizes the Construction Manager, working with the Business Director to return the bid submittals to each bidder.
3. The Board authorizes the Construction Manager and Architect to review and revise the contract documents for the MS01-Site Work to address issues identified during the post-bid evaluation process and to make further revisions to the building trades packages to coordinate the changes with the other work.
4. The Board further authorizes the Business Director to proceed with the re-bid of the MS01-Site Work by issuing the revised contract documents to bidders, to extend the bid period for the new middle school building trades packages, and to receive bids for the new middle school, including the revised site work, at the same time, on a date selected by the Business Director.
