The Treasurer advised the Board that the notice requirements of Section 121.22 of the Revised Code and the implementing rules adopted by the Board pursuant thereto were complied with for the meeting.

_____ moved the adoption of the following Resolution:

RESOLUTION NO. _____

A RESOLUTION PROVIDING FOR THE ISSUANCE AND SALE OF BONDS IN A MAXIMUM AGGREGATE PRINCIPAL AMOUNT OF \$6,540,000, FOR THE PURPOSE OF REFUNDING AT A LOWER INTEREST COST CERTAIN OF THE SCHOOL DISTRICT'S SCHOOL IMPROVEMENT BONDS, SERIES 2003, WHICH WERE ISSUED FOR THE PURPOSE OF CONSTRUCTING, FURNISHING AND EQUIPPING AN AUDITORIUM LOCATED AT THE HIGH SCHOOL, TECHNOLOGY IMPROVEMENTS, AND CLEARING AND IMPROVING THE AUDITORIUM'S SITE; AUTHORIZING AND DIRECTING THE CALL FOR OPTIONAL REDEMPTION OF THE REFUNDED BONDS; AUTHORIZING THE EXECUTION AND DELIVERY OF A BOND REGISTRAR AGREEMENT AND A BOND PURCHASE AGREEMENT WITH RESPECT TO THE REFUNDING BONDS, AND AN ESCROW AGREEMENT WITH RESPECT TO THE REFUNDING OF THE REFUNDED BONDS; AND AUTHORIZING THE PREPARATION, USE AND DISTRIBUTION OF AN OFFICIAL STATEMENT RELATING THERETO.

WHEREAS, at an election held on November 5, 2002, on the question of issuing bonds of the Westlake City School District, Ohio (the "School District") in the aggregate principal amount of \$8,700,000 for the purpose of constructing, furnishing and equipping an auditorium located at the high school, technology improvements, and clearing and improving the auditorium's site and levying taxes outside the ten-mill limitation to pay the annual debt charges on those bonds and any anticipatory securities, the requisite majority of those voting on the question voted in favor of it (the "2002 Voter Authorization"); and

WHEREAS, pursuant to the 2002 Voter Authorization and a Resolution adopted by this Board on March 6, 2003, and a Certificate of Award executed under the authority of that resolution and dated as of March 11, 2003 (collectively, the "Original Bond Legislation"), the District issued its \$8,700,000 School Improvement Bonds, Series 2003, dated as of March 1, 2003 (the "Series 2003 Bonds"); and

WHEREAS, certain of those Series 2003 Bonds that are still outstanding are scheduled to mature on December 1 in the years 2013 through 2023, and 2027, totaling \$6,540,000 in principal amount, and are subject to optional redemption beginning on December 1, 2012, which is prior to their stated maturity (the "Callable Bonds"), and, if called for such optional early redemption, shall be redeemed at a redemption price of 100% of the principal amount redeemed; and

WHEREAS, based in part on the advice of RBC Capital Markets, LLC, in order to take advantage of favorable current interest rates and create savings for the taxpayers of this School District, this Board finds, determines, and declares that it is necessary and in the best interest of the School District to refund at a lower interest cost those Callable Bonds, or portions thereof, identified by the Treasurer in the Certificate of Award (the "Refunded Bonds"), to exercise the Board's option to call the Refunded Bonds for redemption on the Call Date (as defined in Section 9 hereof) at 100% of the principal amount redeemed, plus accrued and unpaid interest to that date, and to issue the Bonds described in Section 2 to provide funds for the purpose of refunding the Refunded Bonds, including the payment of any expenses relating to the refunding of the Refunded Bonds and the issuance of the Bonds; and

WHEREAS, this Board has requested that the Treasurer, as fiscal officer of this Board, certify the estimated life or period of usefulness of the permanent improvements described in Section 2 and the maximum maturity of the Bonds described in Section 2; and

WHEREAS, the Treasurer has certified to this Board that the estimated life or period of usefulness of the permanent improvements described in Section 2 is at least five years and that the maximum maturity of the Bonds described in Section 2 is at least December 1, 2027;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of the Westlake City School District, County of Cuyahoga, State of Ohio, that:

Section 1. In addition to the words and terms elsewhere defined in this Resolution, unless the context or use clearly indicates another or different meaning or intent:

"Authorized Denominations" means (i) with respect to Current Interest Bonds, the denomination of \$5,000 or any whole multiple thereof, and (ii) with respect to Capital Appreciation Bonds, if any, the denomination equal to the original principal amount that, when interest at the applicable compounding rate is accrued and compounded thereon on each Interest Accretion Date to the stated maturity of such Bonds, will result in a \$5,000 Maturity Amount or any integral multiple thereof.

"Bond Proceedings" means, collectively, this Resolution, the Certificate of Award, the Continuing Disclosure Agreement, the Registrar Agreement, the Purchase Agreement, and such other proceedings of the Board, including the Bonds, that provide collectively for, among other things, the rights of holders and beneficial owners of the Bonds.

"Book entry form" or "book entry system" means a form or system under which (a) the ownership of beneficial interests in Bonds and the principal of and interest on the Bonds may be transferred only through a book entry, and (b) physical Bond certificates in fully registered form are issued by the School District only to a Depository or its nominee as registered owner, with the certificates deposited with and maintained in the custody of the Depository or its agent. The book entry maintained by others than the School District is the record that identifies the owners of beneficial interests in those Bonds and that principal and interest.

Unless otherwise indicated, reference to a Section of the Code includes any applicable successor section or provision and such applicable Regulations, rulings, announcements, notices, procedures, and determinations pertinent to that Section.

“Compound Accreted Amount” means, with respect to any Capital Appreciation Bond, the principal amount thereof plus interest accrued and compounded on each Interest Accretion Date to the date of maturity or other date of determination. The Compound Accreted Amount of the Capital Appreciation Bonds of each maturity as of each Interest Accretion Date shall be set forth in the Certificate of Award. The Compound Accreted Amount of any Capital Appreciation Bond for each maturity as of any date other than an Interest Accretion Date is the sum of (a) the Compound Accreted Amount for such Bond on the immediately preceding Interest Accretion Date plus (b) the product of (i) the difference between (A) the Compound Accreted Amount of that Bond on the immediately preceding Interest Accretion Date and (B) the Compound Accreted Amount of that Bond on the immediately succeeding Interest Accretion Date, times (ii) the ratio of (C) the number of days from the immediately preceding Interest Accretion Date to the date of determination to (D) the total number of days from that immediately preceding Interest Accretion Date to the immediately succeeding Interest Accretion Date; provided, however, that in determining the Compound Accreted Amount of a Capital Appreciation Bond as of a date prior to the first Interest Accretion Date, the Closing Date shall be deemed to be the immediately preceding Interest Accretion Date and the principal amount of that Capital Appreciation Bond shall be deemed to be the Compound Accreted Amount on the Closing Date.

“Continuing Disclosure Agreement” means the agreement authorized by Section 8 hereof, which, together with the agreements of the School District set forth in that section and the Bonds, shall constitute the continuing disclosure agreement made by the School District for the benefit of holders and beneficial owners of the Bonds in accordance with the Rule.

The captions and headings in this Resolution are solely for convenience of reference and in no way define, limit or describe the scope or intent of any Sections, subsections, paragraphs, subparagraphs or clauses hereof. Reference to a Section means a section of this Resolution unless otherwise indicated.

Section 2. This Board determines that it is necessary and in the best interest of the School District to issue bonds of this School District (the “Bonds”) in an aggregate principal amount not to exceed \$6,540,000 for the purpose of providing funds necessary to refund the Refunded Bonds, which were issued for the purpose of constructing, furnishing and equipping an auditorium located at the high school, technology improvements, and clearing and improving the auditorium’s site, including the payment of any expenses relating to the refunding of the Refunded Bonds and the issuance of the Bonds.

The aggregate principal amount of Bonds to be issued shall not exceed \$6,540,000 and shall be in an amount determined by the Treasurer in the Certificate of Award, consistent with the Treasurer's determination of the best interest of and financial advantages to the School District, as the amount necessary to effect the purpose for which the Bonds are to be issued, as stated in this Section 2.

Section 3. The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds) shall be determined by the Treasurer in the Certificate of Award, having due regard to the best interest of and financial advantages to the School District. The Bonds shall be dated the Closing Date or such other date (not more than 45 days prior to the Closing Date) as may be established in the Certificate of Award. Notwithstanding any provision herein to the contrary, Bonds maturing on any one date may bear interest at different rates and may be issued separately as Current Interest Bonds and Capital Appreciation Bonds.

(a) The Current Interest Bonds shall bear the rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), as shall be determined, subject to paragraph (c) of this Section, by the Treasurer in the Certificate of Award. Interest on the Current Interest Bonds shall be payable at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates of interest (computed on the basis of a 360-day year consisting of twelve 30-day months), accrued and compounded on each Interest Accretion Date and payable at maturity, which will result in the aggregate Maturity Amounts payable at maturity, as shall be determined, subject to paragraph (c) of this Section, by the Treasurer in the Certificate of Award, provided that the Capital Appreciation Bonds of any one stated maturity all shall bear the same compounding rate of interest. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond exceeds the original principal amount of that Capital Appreciation Bond as of that date.

(b) The Bonds shall mature on the Principal Payment Dates in principal amounts as shall be determined, subject to paragraph (c) of this Section, by the Treasurer in the Certificate of Award, consistent with the Treasurer's determination of the best interest of and financial advantages to the School District.

Consistent with the foregoing and in accordance with the Treasurer's determination of the best interest of and financial advantages to the School District, the Treasurer shall specify in the Certificate of Award, among other things, (i) the aggregate principal amount of any Bonds to be issued as Current Interest Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature (or be subject to mandatory sinking fund redemption) and the principal amount thereof that shall be stated to mature (or be subject to mandatory sinking fund redemption) on each such Principal Payment Date, and (ii) the aggregate principal amount of any Bonds to be issued as Capital Appreciation Bonds and the corresponding aggregate Maturity Amount thereof, the Principal Payment Dates on which those Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, determined by taking into account the respective principal amounts of the Bonds and terms to maturity or mandatory sinking fund redemption, as applicable, of those principal amounts of Bonds, shall be such as to demonstrate net present value savings of at least 4.5% to the School District taxpayers due to the refunding of the Refunded Bonds

with the issuance of the Bonds, taking into account all expenses related to that refunding and issuance, provided that the true interest cost of the Bonds shall not exceed 5.00%.

(d) The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to stated maturity. The Current Interest Bonds may be subject to redemption prior to stated maturity as follows, with the details and terms thereof to be set forth in the Certificate of Award.

(i) Mandatory Sinking Fund Redemption. Current Interest Bonds maturing in any year may be made subject to mandatory sinking fund redemption and (unless retired by optional redemption pursuant to subparagraph (ii) hereof) may be redeemed pursuant to mandatory sinking fund redemption requirements, at a redemption price of 100% of the principal amount redeemed plus interest accrued to the redemption date, on any Interest Payment Date or Interest Payment Dates (as selected by the Treasurer in the Certificate of Award) in the principal amounts and in the year or years specified in the Certificate of Award. The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Term Bonds shall include amounts sufficient to redeem the principal amount of any Current Interest Bonds subject to mandatory sinking fund redemption on the dates specified for such redemption (less the amount of any credit as provided below).

The Board shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent mandatory sinking fund redemption requirement (and corresponding mandatory redemption obligation) of the School District, as specified by the Treasurer, for Term Bonds stated to mature on the same principal payment date as the Term Bonds so delivered. That option shall be exercised by the Board on or before the 45th day preceding any mandatory redemption date with respect to which the Board wishes to obtain a credit by furnishing the Bond Registrar a certificate, signed by the Treasurer, setting forth the extent of the credit to be applied with respect to the then current or any subsequent mandatory sinking fund redemption requirement for Term Bonds stated to mature on the same principal payment date. If the certificate is not timely furnished to the Bond Registrar, the then current mandatory sinking fund redemption requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent mandatory sinking fund redemption requirement (and corresponding mandatory redemption obligation), as specified by the Treasurer, shall also be received by the Board for any Term Bonds that mature by mandatory sinking fund redemption which prior thereto have been optionally redeemed or purchased for cancellation and cancelled by the Bond Registrar, to the extent not applied theretofore as a credit against any mandatory sinking fund redemption requirement, for Term Bonds stated to mature on the same principal payment date as the Term Bonds so redeemed or purchased and cancelled.

Each Term Bond so delivered, or previously redeemed, or purchased and cancelled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent mandatory sinking fund redemption requirements (and corresponding mandatory redemption obligations), as specified by the Treasurer, for Term Bonds stated to mature on the same principal payment date as the Term Bonds so delivered, redeemed or purchased and cancelled.

(ii) Optional Redemption. If and as provided by the Treasurer in the Certificate of Award, the Current Interest Bonds shall be subject to optional redemption by and at the sole option of the Board, in whole or in part (as selected by the Board) on any date, in whole multiples of \$5,000, at the specified redemption prices (expressed as a percentage of the principal amount redeemed) plus, in each case, accrued interest to the redemption date, provided the redemption price for the earliest optional redemption date shall not be greater than 102% and the earliest optional redemption date shall not be later than ten years and six months after the date of issuance of the Bonds.

If optional redemption is to take place on any mandatory redemption date identified in subparagraph (i) hereof, the Term Bonds, or portions thereof, to be redeemed by optional redemption shall be selected by lot prior to the selection by lot of the Term Bonds to be redeemed on the same date by operation of the

mandatory redemption provisions of subparagraph (i). Current Interest Bonds to be redeemed pursuant to this subparagraph (ii) shall be redeemed only upon written notice from the Treasurer of the Board to the Bond Registrar, given upon the direction of the Board by adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity of Current Interest Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as hereinafter provided, there shall be deposited with the Bond Registrar, on or prior to the redemption date, funds which, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus interest accrued to the redemption date, all of the redeemable Current Interest Bonds for which notice of redemption has been given.

(iii) Partial Redemption. If fewer than all of the Current Interest Bonds of a single maturity are to be redeemed, the selection of Current Interest Bonds to be redeemed, or portions thereof in amounts of \$5,000 or any integral multiple thereof, shall be made by lot by the Bond Registrar in any manner which the Bond Registrar may determine. In the case of a partial redemption of Current Interest Bonds by lot when Current Interest Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as though it were a separate Current Interest Bond of the denomination of \$5,000. If it is determined that one or more, but not all of the \$5,000 units of principal represented by a Current Interest Bond are to be called for redemption, then upon notice of redemption of a \$5,000 unit or units, the registered owner of that Current Interest Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the \$5,000 unit or units called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner thereof, of a new Current Interest Bond or Current Interest Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Current Interest Bond surrendered.

(iv) Notice of Redemption. The notice of the call for redemption of Current Interest Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Current Interest Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the School District by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Current Interest Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing and to any municipal bond insurance company that has issued a policy insuring the Current Interest Bonds. The failure of any registered owner of any Current Interest Bond to be redeemed to receive notice by mail or any defect in that notice regarding any Current Interest Bond shall not affect the validity of the proceedings for the redemption of any other Current Interest Bond.

(v) Payment of Redeemed Current Interest Bonds. Notice having been mailed in the manner provided in subparagraph (iv) hereof, the Current Interest Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus interest accrued to the redemption date. If moneys for the redemption of all of the Current Interest Bonds and portions thereof to be redeemed, together with interest accrued thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Current Interest Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Current Interest Bonds and portions thereof shall continue to

bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Current Interest Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Current Interest Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the School District to the extent not required for the payment of the Bonds called for redemption.

Section 4. The Bonds shall be signed by the President or Vice President, and the Treasurer, of this Board, in the name of the School District and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be designated "School Improvement Refunding Bonds, Series 2011" (or otherwise as may be determined by the Treasurer in the Certificate of Award), be issued in Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Treasurer (consistent with the parameters set forth herein), be numbered as determined by the Treasurer in order to distinguish each Bond from any other Bond and to distinguish the Current Interest Bonds from any Capital Appreciation Bonds, and express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the aforesaid election held on November 5, 2002, Chapter 133 and Section 133.34 of the Revised Code, this Resolution, and the Certificate of Award. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Treasurer on behalf of the School District. The same person need not sign the certificate of authentication on all of the Bonds.

Section 5. U.S. Bank National Association is appointed to act as the initial Bond Registrar. The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Registrar Agreement between the School District and the Bond Registrar and the Ohio Department of Education (if applicable), in substantially the form as is now on file with this Board. The Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer, on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Registrar Agreement or amendments thereto. The Treasurer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 6. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal and premium, if any, of the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds at the corporate trust office of the Bond Registrar designated in the Certificate of Award or, if not so designated, at the principal corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid by the Bond Registrar on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day next preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of, premium, if any, and interest on the Bonds shall be payable in the manner provided in any agreement entered into by the Treasurer, in the name and on behalf of the School District, in connection with the book entry system.

Section 7. So long as any of the Bonds remain outstanding, the School District will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to the provisions of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the School District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the School District's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the School District are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the Board. In all cases of Bonds exchanged or transferred, the School District shall provide for the signing and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the School District and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The School District or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the School District, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the School District nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

Notwithstanding any other provisions of this Resolution, if the Treasurer determines in the Certificate of Award that it is in the best interest of and financially advantageous to the School District, the Bonds may be issued in book entry form in accordance with the following provisions of this Section.

The Bonds may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized: (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity, or interest rate within a maturity, as the case may be, and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository or its designated agent, which may be the Bond Registrar; (ii) the beneficial owners of Bonds in book entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the School District.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Treasurer may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Treasurer does not or is unable to do so, the Treasurer, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause Bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assignees of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of the School District action or inaction, of those persons requesting such issuance.

The Treasurer is hereby authorized and directed, to the extent necessary or required, to enter into any agreements, in the name and on behalf of the School District, that the Treasurer determines to be necessary in connection with a book entry system for the Bonds, after determining that the signing thereof will not endanger the funds or securities of the School District.

Section 8. (a) The Bonds are to be awarded and sold at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the Treasurer in the Certificate of Award, plus accrued interest on the Current Interest Bonds from their date to the Closing Date, and shall be awarded by the Treasurer with and upon such other terms as are required or authorized by this Resolution to be specified in the Certificate of Award, in accordance with law, the provisions of this Resolution and the Purchase Agreement. The Treasurer is authorized to and shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The President, the Vice President and the Treasurer of this Board, the Superintendent of the School District, and other School District officials, as appropriate, each and all, are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Resolution.

The Treasurer shall sign and deliver, in the name and on behalf of the School District, the Purchase Agreement between the School District and the Original Purchaser, in substantially the form as is now on file with the Treasurer, providing for the sale to, and the purchase by, the Original Purchaser of the Bonds. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved on behalf of the School District by the Treasurer, all of which shall be conclusively evidenced by the Treasurer's signing of the Purchase Agreement or amendments thereto.

(b) The Preliminary Official Statement of the School District relating to the original issuance of the Bonds in the form now on file with the Treasurer (the "Preliminary Official Statement") is hereby approved and the distribution and use of the Preliminary Official Statement is hereby approved, ratified and confirmed. The President or Vice-President and Treasurer of this Board and the Superintendent, on behalf of the School District and in their official capacities, are authorized to (i) make or authorize modifications, completions or changes of or supplements to, the Preliminary Official Statement, (ii) determine, and to certify or otherwise represent, when the revised official statement is to be "deemed final" (except for permitted omissions) by the School District or is a final official statement for purposes of SEC Rule 15c2 12(b)(1), (3) and (4), (iii) use and distribute, or authorize the use and distribution of, that final official statement and any supplements thereto in connection with the original issuance of the Bonds, and (iv) complete and sign that final official statement as so approved together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of that official statement as they deem necessary or appropriate.

(c) For the benefit of the holders and beneficial owners from time to time of the Bonds, the School District agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required

for purposes of the Rule. The President of the Board, the Treasurer and the Superintendent are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the School District, in substantially the form as is now on file with the Treasurer. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Treasurer is further authorized and directed to establish procedures in order to ensure compliance by the School District with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Treasurer shall consult with and obtain legal advice from, as appropriate, the bond or other qualified independent special counsel selected by the School District. The Treasurer, acting in the name and on behalf of the School District, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the School District of its Continuing Disclosure Agreement shall be subject to the annual appropriation of any funds that may be necessary to perform it.

(d) If, in the judgment of the Treasurer, the filing of an application for (i) a rating on the Bonds by one or more nationally recognized rating agencies and/or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds is in the best interest of and financially advantageous to the School District, the Treasurer is authorized to prepare and submit those applications. The Treasurer is also authorized to provide to each such agency or company such information as may be required for the purpose and, if it is, in the Treasurer's judgment, in the best interest of and financially advantageous to the School District, to accept a commitment for insurance issued by a nationally recognized municipal bond insurance company insuring the payment when due of the principal of and interest on all or any portion of the Bonds. The Treasurer is authorized to enter into any agreements, on behalf of and in the name of the School District, that the Treasurer determines to be necessary or required to obtain such ratings or insurance.

The expenditure of the amounts necessary to secure those ratings and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, to the extent not paid by the Original Purchaser in accordance with the Bond Purchase Agreement, is authorized and approved, and the Treasurer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 9. This Board determines that it is necessary and in the best interest of the School District to provide for the refunding of the Refunded Bonds by the payment of the principal of and interest on the Refunded Bonds pursuant to Section 133.34 of the Revised Code and as provided in this Resolution, and to redeem the Refunded Bonds on December 1, 2012 (the "Call Date"). The Board further determines and finds that such refunding will enable the School District and its taxpayers to effect a savings in the aggregate debt service payments that would otherwise be required to be made on the Refunded Bonds.

As provided in the Escrow Agreement, timely after the delivery of and payment for the Bonds and the crediting to the Escrow Fund created under the Escrow Agreement as provided in this Resolution, the Refunded Bonds shall be called for prior redemption. The Treasurer is authorized and directed to give to U.S. Bank National Association, as the ultimate successor in interest to National City Bank, as the authenticating agent, bond registrar and paying agent for the Refunded Bonds, on or promptly after the Closing Date, written notice of that call for redemption, and the Refunded Bonds shall be redeemed in accordance with the provisions of this Resolution, the Original Bond Legislation and the Escrow Agreement. The Board covenants, for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, that it will

take, and will cause the bond registrar for the Refunded Bonds to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption, and that in accordance with the Escrow Agreement it will provide from the proceeds of the Bonds, and other available sources as may be required, moneys and securities sufficient to provide for the timely payment, in accordance with this Resolution, of all principal of and interest that will be due and payable on the Refunded Bonds through and including the Call Date.

Section 10. U.S. Bank National Association is appointed to serve as the Escrow Agent. The Escrow Agent is authorized and directed to cause notice of the refunding of the Refunded Bonds to be given in accordance with the Escrow Agreement. The Treasurer shall sign and deliver, in the name and on behalf of the School District and in the Treasurer's official capacity, the Escrow Agreement between the School District and the Escrow Agent in substantially the form as is now on file with the Treasurer. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this Resolution and not substantially adverse to the School District and that are approved by the Treasurer on behalf of the School District, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Treasurer shall provide for the payment of services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement (including the fees and expenses of a mathematical verification agent to be appointed by the Treasurer in the Certificate of Award), except to the extent paid or reimbursed by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from other funds lawfully available and appropriated or to be appropriated for that purpose.

Section 11. There is created under the Escrow Agreement a trust fund designated the "Westlake City School District, Ohio, Series 2003 Bonds, Escrow Fund" (the "2003 Escrow Fund") which shall be held and maintained by the Escrow Agent in trust for the registered owners of the Refunded Bonds and is assigned for the payment of principal of and interest on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Treasurer is hereby authorized and directed to pay or cause to be paid to the Escrow Agent for deposit in the 2003 Escrow Fund such amount of the proceeds from the sale of the Bonds as may be necessary, together with such amount, if any, as is on deposit in the Bond Retirement Fund of the School District and required to be used for such purpose, to provide for the refunding of the Refunded Bonds. Those funds are appropriated and shall be used to pay principal of and interest on the Refunded Bonds, as provided in the Escrow Agreement. The transfer to the 2003 Escrow Fund of any funds required hereunder and presently on deposit in the Bond Retirement Fund is hereby authorized. The funds deposited in the 2003 Escrow Fund shall be (a) held in cash to the extent that they are not needed to make the investments hereinafter described, and (b) invested in direct obligations of, or obligations guaranteed as to payment by, the United States of America (within the meaning of Section 133.34(D) of the Revised Code, referred to herein as "Government Obligations") that mature or are subject to redemption by and at the option of the holder, in amounts sufficient, together with any uninvested cash in the 2003 Escrow Fund but without further investment or reinvestment, for the (i) payment of interest on the Refunded Bonds on each June 1 and December 1 from and including the first June 1 or December 1 (if any) after the Closing Date, to and including the last June 1 or December 1 (if any) before the Call Date, and accrued but unpaid interest through and including the Call Date, and (ii) payment on the Call Date of the principal amount of the Refunding Bonds (at a redemption price of 100% of the principal amount redeemed), all as provided in the Escrow Agreement. The Escrow Agent is hereby authorized to file, on behalf of the School District, subscriptions for the purchase and issuance of United States Treasury Securities – State and Local Government Series ("SLGS") for investment of funds in the 2003 Escrow Fund if it is determined by the Treasurer in the Certificate of Award that the purchase of SLGS for such purpose is in the best interest of and financially advantageous to the School District. If, in the judgment of the Treasurer, an open-market purchase of Government Obligations for the 2003 Escrow Fund is in the best interest of and financially advantageous to this District, the Treasurer or any other officer of the District, on behalf of the District and in his or her official capacity, may purchase or cause to be purchased and deliver or cause to be delivered such

obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the 2003 Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Section 12. Proceeds from the sale of the Bonds (except any accrued interest and original issue premium in excess of the amount necessary to accomplish the refunding of the Refunded Bonds and the payment of costs relating to the issuance of the Bonds and the refunding of the Refunded Bonds, which shall be paid into the Bond Retirement Fund) shall be paid into the 2003 Escrow Fund as and to the extent provided in Section 11, and are appropriated and shall be used for that purpose. Accrued interest and such excess premium received by the School District are appropriated and shall be used for the purpose of paying debt charges on the Bonds. Any proceeds received by the School District to be used for the payment of any expense relating to the refunding of the Refunded Bonds and the issuance of the Bonds shall be paid into the proper fund or funds, and are appropriated and shall be used for that purpose.

Section 13. There shall be levied on all the taxable property in the School District, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be unlimited as to amount or rate, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

Section 14. This Board covenants to use, and to restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Code or (ii) be treated other than as bonds to which Section 103 of the Code applies, and (b) the interest thereon will not be an item of tax preference under Section 57 of the Code.

This Board further covenants (a) to take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, and (b) not to take or authorize to be taken any actions that would adversely affect that exclusion, and (c) that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Treasurer, as the fiscal officer, or any other officer of this Board or the School District having responsibility for issuance of the Bonds, is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of this Board and the School District with respect to the Bonds as this Board or the School District is permitted or required to make or give under the federal income tax laws, including, without limitation, any of the elections available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such

compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of this Board and the School District, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of this Board and the School District, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of this Board and the School District regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds. The Treasurer is specifically authorized to designate or otherwise determine the Bonds to be or to be deemed designated or otherwise treated as “qualified tax-exempt obligations” if such designation or determination is applicable and desirable, and to make any related necessary representations and covenants.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt charges on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Bonds.

Section 15. The Treasurer is directed to deliver promptly to the Cuyahoga County Fiscal Officer (i) a certified copy of this Resolution and a signed copy of the Certificate of Award as soon as each is available, and (ii) promptly after the Closing Date, a certificate to the effect that, in accordance with Section 133.34 of the Revised Code, the Refunded Bonds are no longer considered to be outstanding.

Section 16. The legal services of Squire, Sanders & Dempsey (US) LLP, as bond counsel are hereby retained.
