TESTING PROGRAMS PROFICIENCY TESTING

(Required State Assessments)

The Westlake City School District will administer the Ohio State proficiency tests at identified grade levels according to State law.

TESTING GUIDELINES GUIDELINES - PROFICIENCY TESTING

Individuals responsible for ensuring that all test security provisions are met in the District will be the District Test Coordinator, Building Test Coordinator and Building Administrator, as identified by the Superintendent.

- 1. These individuals will be responsible for overseeing all aspects of the achievement testing program in the district. This includes:
 - a. Determining which students are required to take the test;
 - b. Inventorying all testing materials, including numbered test booklets, answer documents and administration materials;
 - c. Certifying all materials listed on the bill of order;
 - d. Establishing procedures for administering the tests;
 - e. Delivering labeled materials to the appropriate test administrators;
 - f. Sending completed answer documents to the location designated by the Ohio Department of Education;
 - g. Inventorying and returning test materials to the Ohio Department of Education;
 - h. Maintaining records of students who pass or fail test(s); and
 - i. Distributing test results to appropriate test personnel.

Access to test materials is limited to the following:

- 1. Members of the administrative staff, including the Superintendent, principals and counselors: and
- 2. School personnel who are directly involved in the distribution, administration and collection of test materials.

Storage/Access STORAGE AND TRACKING OF TEST MATERIALS

- 1. Materials for grade level proficiency state tests will be delivered to the district test coordinator.
- 2. The district test coordinator will make provisions to contact the individual school coordinators and either hand-deliver them or have the school coordinator **or building administrator** pick up the materials.
- 3. No materials will be sent via intradistrict delivery.
- 4. Materials received by the district and school coordinator will be secured in a locked room, cabinet or closet. Personnel with access to these locked materials will be the following: district coordinator, school coordinator and building administrator.
- 5. Following daily administration of the test, all materials will be collected by school coordinator and re-secured into the locked area. The testing materials shall be inventoried and re-secured by the building test coordinator or building administrator.
- 6. Student answer booklets will be mailed according to prescribed State guidelines/timelines.

7. Test booklets and extra materials will be inventoried and boxed by the school coordinator and/or building administrator. The school coordinator and/or building administrator will deliver the boxes to the district coordinator. The district coordinator will secure materials, complete tracking forms, and prepare for and sent via courier pick-up according to prescribed State guidelines/timelines.

Test/Administration

All teachers, proctors, or aides school personnel involved with administration and monitoring of state proficiency tests will adhere to the following confidential and secure behaviors.

- 1. The specific tests, time allocations, testing dates and order of testing are predetermined by the Ohio Department of Education, which will be adhered to by the Westlake City School District test administrators.
- 2. Persons designated as examiners will be responsible for ensuring that all test security provisions are met while test sessions are in progress and accounts for all test materials received from the Building Test Coordinator until the materials are returned to the District Test Coordinator.
- 3. No unauthorized person shall be permitted in a testing room during any test session or be permitted access to any secure test materials at any time such materials are in the district.
- 4. Any scheduled breaks must be monitored to ensure security of materials and prevent discussion among students about the test.
- 5. Following the completion of the test, the administrator of the test in each session shall return all testing material to the Building Test Coordinator.

Catastrophic/Calamity

- 1. In the event that school is closed for any scheduled days of testing, the following day or next available school day will be used to continue testing.
- 2. In the event that school is closed on a day during the week of testing, the district test coordinator will contact the State Department of Education immediately.
- 3. In the event of a fire alarm or other unforeseen event that requires the evacuation of the school building, test sites will be secured.
- 4. If testing is unable to continue for the day or week because of damage or safety concerns in the building, the test materials will be hand delivered to the district coordinator and secured in a locked area. Provisions for securing an alternative testing site will be investigated and the Board of Education will make an executive decision as to whether testing resumes.

TEST SECURITY

Staff:

With the exception of test materials specifically designated as an achievement "practice test" by the Ohio Department of Education, all test questions and other materials which are considered part of the achievement tests, including but not necessarily limited to, reading passages, writing prompts, charts, graphs and tables, shall be considered secure and subject to the provisions of Sections 3319.151 and 3319.19 of the Ohio Revised Code.

1. No person shall release, cause to be released, reproduce, or cause to be reproduced any secure test materials through any means or medium, including but not limited to, electronic, photographic, written or oral means, which would constitute cheating by a student and/or assisting a student to cheat.

2. Proven violation of Sections 3319.151 and 3319.99 could result in suspension of certification for one year, termination of employment and/or a possible charge of minor misdemeanor for certificated and/or support personnel.

The following procedures will be instituted to investigate an alleged violation of test security provisions and penalties for confirmed violations:

- 1. Any teacher, proctor, aide or other school personnel caught violating storage/access and/or test/administration procedures will be reported to the district test coordinator. The district coordinator will report these infractions to the Superintendent and State Department of Education.
- 1. The District Test Coordinator is obligated to report any/all alleged violations to the Super-intendent in writing within five days of the alleged violation.
- 2. The District Test Coordinator shall investigate all reported alleged violations of test security.
- 3. Due process will be accorded to all involved pertaining to alleged violations of test security.
- 4. Sanctions against the employee will depend on the severity of the breach of these procedures and response of the employee.
- 5. Violation of security issues is a serious offense and may result in a letter of reprimand, suspension without pay, and/or ultimate dismissal.
- 6. Within 10 days after an investigation has determined that a violation has occurred, the District shall notify the Ohio State Board of Education in writing of the finding and of the action taken.
- 7. If it is determined that a violation of test security did occur, the report to the State Board shall specify which students' test results were affected.
- 8. Penalties for a confirmed violation will be determined by the State Board of Education, in writing, of the finding and the action taken.
- 9. If the State Board of Education rules that violation did occur, the test results of the students listed in the report will be declared invalid and so noted in each student's cumulative file. The student shall be required to retake that portion of the test.
- Directions must be read as stated in each test section, no modifications or alternative wording is allowed.
- Discussion of any part or items on the test during or after administration is prohibited.
- Copying any items or sections of the test is prohibited.
- Proctors will be provided with test administration manuals only.
- Proctors will not keep test booklets or answer sheets after daily or entire administration of tests. A
 school test coordinator will collect all materials at the conclusion of the evaluation session.
- Proctors will not provide any specific item assistance to students. No explanation of direction or items will be allowed.
- Proctors will monitor testing environment by circulating around the room periodically. Proctors
 must not sit or stand in one area during the testing.
- Spacing of students needs to be maximized to facilitate a secure and conducive environment for testing.
- Proctors will collect student's materials if there is a suspicion of cheating and contact the school test coordinator.
- Proctors will ensure that all students remain quiet until all students have finished testing or until the maximum time limit is exceeded (2-1/2 hours).

 Any scheduled breaks must be monitored to ensure security of materials and prevent discussion among students about the test.

Student

- 1. Any student caught cheating will be reported immediately to the school test coordinator. The school test coordinator will report the name of the student to the district test coordinator and this student's test will be invalidated.
- 2. The district test coordinator will report the incident to both the Superintendent and State Department of Education.
- 3. Any student suspected of cheating will be investigated by school and district test coordinator immediately.
 - a. Determination of test taking status (continue or invalidate) will be formulated within 24 hours.
 - b. Building principal, Superintendent and parents of the student will be informed of the action within 24 hours.
 - c. Evidence of cheating or inappropriate test behaviors may result in the following school disciplinary actions: demerits, detention, Saturday school, suspension or expulsion.
- 4. The parent of a student who has had his test invalidated will have the right to request an administrative review with the Superintendent to dispute the decision.

NOTIFICATION

All employees of the district will receive written notification of the achievement test security measures and of their responsibility in maintaining this security. They will also be notified of penalties for breach of this security.
