1. The Westlake City School District has an ongoing responsibility to provide services appropriate for the purposes/needs of the community/contracting clients, managing the judicious use of fiscal resources, and complying with federal/state educational mandates.
2. Current and relevant job descriptions are necessary to delineate employee qualifications, essential duties, and to assess job performance necessary to fulfill organizational objectives and contractual services.
3. The Westlake City School District has engaged in an open process to review and solicit recommendations regarding existing job descriptions and develop documents for new jobs that meet current organizational needs.

THEREFORE, the Board of Education hereby adopts as an official Resolution the requirement that the Westlake City School District Superintendent and administrative team shall place into service the recommended job descriptions as revised and presented to the Board. In addition, the Superintendent and administrative team shall continue to provide for ongoing reviews, additions and modifications as needed to keep job description documents current with legal mandates, board policies, and administrative practices.
