International Baccalaureate PYP update

Colleen Mudore and Deb Wadden recently led a meeting for Porter Public Library's Youth Services staff to help familiarize them with the International Baccalaureate Primary Years Programme (IB PYP). Mudore and Wadden, who are IB Coordinator Designates for Westlake's elementary schools, introduced concepts of the IB PYP, including the Learner Profile, Transdisciplinary Themes and the Action Cycle. Youth Services librarians participated in creation of

their own Essential Agreement for their meetings. With a shared understanding of the IB PYP, library and elementary school staff can collaborate to assist Westlake elementary students in their inquiries. Bassett, Dover, Hilliard and Holly Lane schools are currently in the Consideration Phase, with plans for applying to be IB PYP Candidate schools this spring. Administrative change

After six years as business director for the Westlake Schools, Dave Puffer has transitioned into the new role of District Supervisor of Construction Projects. Stan Lipinski joins Westlake as interim Business Director to finish out Puffer's contract through this summer, when a permanent replacement will be named. Mindful of recent changes and a commitment to sound fiscal practices, no additional dollars were spent as the two positions equal one, in terms of salary & benefits.
