## WCSD earns 4th perfect audit from state auditor

Auditor of State Dave Yost's office gave the WCSD a clean report once again for the 2010-2011 school year. This is the fourth consecutive "perfect audit," clean of findings or citations, and paves the way for the district to receive a distinction award from the Auditor of State.

CFO/Treasurer Mark C. Pepera

credits the achievement to a concerted effort by his staff to enforce fiscal policy and maintain a high level set of internal controls and financial reporting procedures, as well as buildings and departments following those guidelines

Within the past year the school district earned the "Exemplary Saver" status award from the

Ohio Schools Council for being among the top 25% of participating school districts for savings dollars; received the Ohio School Plan Best Practices Award for its efforts in actively controlling risk; successfully refinanced the 2003 series bonds on the Performing Arts Center project to save Westlake taxpayers more than \$571,000 in foregone interest costs.
