WHS JUNIOR ISABELLA DIGIULIO SCORES PERFECT 36 ON ACT

Westlake High School junior Isabella DiGiulio scored a perfect 36 on the ACT exam.

Isabella said she reviewed some practice questions from the ACT website in preparation for the exam.

Isabella participates in competitive gymnastics through the club team North Olmsted Gymnastics and is a member of the WHS Varsity gymnastics team. She earned the team Sportsmanship award from WHS gymnastics her freshman year and helped the high school team advance to district competition last year.

Isabella also plays the French horn in marching band and is section leader of the mellophones. She volunteers at Youth Challenge Sports.

As a junior, Isabella has just begun her college search, but so far is impressed by Duke University and the University of Notre Dame. She enjoys math and plans to pursue a career in the STEM field. She plans to job shadow this year to help narrow her decision on a course of study.
