... a publication for and about Westlake City Schools employees

## WCSD launches new web site

It's been a lot of work behind the scenes, but the Westlake City School District on Sunday launched a new web site.

Visitors to [www.wlake.org](http://www.wlake.org) were redirected as of Sunday to the new district web page.

We will maintain a link back to the old site until we have all of the content moved over. You will not be expected to do anything at this point to your own web sites. We will roll out training in the coming months to allow everyone to learn about the new site and how to access and make changes to your own sites.

Once everyone has been trained and individual sites have been migrated to the new site, we will abandon the old web site.

Understand this will be a slow and steady process and it will take time to schedule and train staff. Please be patient as we work through the process.

If you have any questions please direct them to me at [Bonvisuto@wlake.org](mailto:Bonvisuto@wlake.org) or x. 1258.

## Relief for Haiti

Hilliard students, staff and families raised \$700 for UNICEF to help with the organization's relief efforts in Haiti. Third graders made PA announcements with information about Haiti and earthquakes each morning. They have been studying earth sciences. Staff members who helped organize the donations included Linda Roush, Lois Leonard, Rita Shields, Jane Zellers, Will Wilson, Judy Metz, Dottie Osborne and Kim Geletka.

At Parkside, Julie Milkie and Donna Keener encouraged each student and staff member to donate \$1 with a goal of \$692. The final total was close to \$1,000.

The Holly Lane Peace Force, led by Guidance Counselor Bobbi English, also is organizing a fundraiser for Haiti.
