## WTA recognized

The Westlake Teachers' Association was awarded the "Five Star Local Award" at the NEOEA Representative Assembly Nov. 7. This is the second year that WTA has received the award.

To receive the award, local associations had to meet 5 out of 6 criteria, listed below:

- professional and leadership training for local members;
- accessing resources provided to the local affiliate by the larger organization (NEOEA and/or OEA);
- meeting with colleagues in neighboring associations;
- involving members in the Association's legislative program; and
- having local representation attending the NEOEA Representative Assembly in November and March
- having local representation attending the OEA Representative Assembly in Columbus in December and May.

WTA was one of 53 out of 188 eligible local associations to receive the award. A plaque was given to WTA President Amy Butcher to display, and another plaque that lists all of the 53 associations, will be displayed at the NEOEA Office in Garfield Heights.
