Science	Semester	1	2
Achievement			
Science Theme			
Semester grades will address concepts within the theme below.			
Observations of the Environment - This theme focuses on helping students develop the skills for systematic discovery to understand the science of the physical world around them in greater depth by using scientific inquiry.			
Students will study:			
Earth Science - Sun, Energy and Weather			
Physical Science - The Changes in Properties			
Life Science - The Basic Needs of Living Things			

Social Studies	Semester	1	2
Achievement			
Social Studies Theme			
Semester grades will address concepts within the theme below.			
People Working Together - Work serves as an organizing theme for the second grade. Students learn about jobs today and long ago in the United States and in other parts of the world. They use biographies, primary sources and artifacts as clues to the past. They deepen their knowledge of diverse cultures and their roles as citizens.
