In an effort to safely manage the amount of students attending daily we ask that families indicate days of attendance via the parent calendar - located in the parent portal via the attendance tab. Attendance days can be added to the calendar until 11:00 P.M. the day prior to attending. You may attend on a drop in basis with a fee of $5.00/child. We currently do not have a daily enrollment cap but if you are aware of your Camp Link needs we encourage you to enter your dates of attendance in the near future. It will allow us to plan accordingly for student groupings, social distancing and staffing levels. You are able to remove days of attendance at any time.
